## EXPANDING OUR NETWORK

Harty Rushmere has joined the AEA International Lawyers Network and Justinian Lawyers.

AEA is the largest network of lawyers in the world by number of offices and number of countries covered with 1310 offices in 159 countries on the five continents. The headquarters of AEA are in Berlin.

Thanks to AEA's efficient referral system—where responses are typically received within minutes—we are now able to provide clients with fast, professional, practical solutions, including for cross-border transactions or issues where legal matters involve multiple jurisdictions. The size of the AEA network means that the range and speciality of services we have access to are very diverse and extend beyond our traditional core service offerings. It also gives us more international reach and global connections.

AEA also has an arbitration court called The Arbitration Court of the AEA where qualified AEA members act as arbitrators.

Neil Harty has been appointed VP representing South Africa for the Association of European Attorneys/the AEA of International Lawyers Network. As new VP Neil Harty will be coordinating the offices in South Africa exploring new possibilities of cooperation with the rest of AEA offices around the world providing a better service to clients.
